EMOTO, Nobuya

1. Course Description

This course (Economics Seminar I) wasn't held spring semester this year. So anyone can join the autumn semester (Economics Seminar II). This course aims to give students basic knowledge on history of economics and Japanese economy along with the textbook of "池上彰のやさしい経済学1しくみがわかる"(日本経済新聞出版社). Students in this course are to be required to make some presentation to summarize a certain part of the textbook. Then I will explain it to help students understand the meaning.
