

# International Politics B

Syllabus Number                      INR-306  
Elective                                  2 credit  
NAKAMURA, Rouran

## 1. Course Description

This class is for students who have studied International Politics 1.

I will explain the realities of modern international politics using the technical terms of international politics. The matters I will explain are as follows.

1. United Nations
2. Regional integration in Europe
3. Imperialism
4. Cold War
5. Middle East War
6. Multipolar

The purpose of this class is to understand the actual situation of modern international politics.
