

Introduction to Japanese economy I

Syllabus Number

ECP-101

Compulsory Elective
2 credit

FUKUDA, Nao to

1. Course Description

In this lecture, you will learn about Japan's economy from issues that you are familiar with. In particular, it aims to help you gain a wide perspective of Japan's economy through its history, the process by which the current system became established, and by comparison with other countries' economies. Through this lecture, you will foster the ability to understand articles and news reports about the Japanese economy.
