

東アジア近現代史

Syllabus Number

ASI-201

Elective

2 credit

HARA,Tomohiro

1. Course Description

In this lecture, the history of China, Korea and Japan will be reviewed from the 19th century to the 2000s. History is not a story of the past, it is closely connected with the present. With that in mind, this class will advance lectures with awareness of historical problems lying between each region and Japan today.
