

Seminar I

Syllabus Number

SEM-301

Compulsory 2
credit

ISOYAMA, Masaru

1. Course Description

The purpose of this seminar is to learn the fundamentals of the organization theory and the strategy theory and to acquire various skills in preparation for job hunting. Therefore, you will learn various things through group work and exchange meetings with business people.

In this seminar, we will not read a single book. Instead, select the theme of your choice and use PowerPoint to repeat the presentation within the group and in front of the teacher about that theme.
