1. Course Description

This class will be a joint class for third and fourth year students.

We will decide the theme of "Chinese society" in which each person or group is interested, examine reference documents and materials, prepare a report, and present it. Or select the latest news and newspaper articles about China that everyone is interested in, publish them, and debate and discuss the intentions and contents of the presenter's selection for each group. We will learn how to collect materials and logical thinking, and will learn the basics of leading discussions.
