

Japanese Culture and Philosophy I

Syllabus Number

PHE-201

Elective

2 credit

HAMADA, Yo

1. Course Description

In this class, we will simultaneously touch on a variety of videos, novels, and philosophical books that raise new issues in the world together with Japan. Each lecture will be assembled to touch several types of works.

In the spring semester, we will work on the theme of "death and rebirth" in which people, cultures and civilizations contradict each other, reach their limits, and then resurrect by acquiring new relationships in each entity. .
