

**International Communication 2-1 : Korean** : Syllabus Number FLE-125  
Elective 2 credit  
LEE, Hyang su

1. Course Description

Following "International Communication I", acquire basic Korean grammar and communication skills at a basic level.

In this class, we aim to complete the language skills at the elementary level.

In the preparatory study, it is recommended to listen to the dialogue of the audio material repeatedly and practice speaking.

Students are required to have an interest in Korean culture in general and a positive attitude toward conversation.
