コリア語作文 I

Syllabus Number KOR-203

Compulsory 1 credit

LEE, Jae Ho

1. Course Description

This class is aimed at improving the composition skills of middle-class learners for the second-grade students in Korean course at faculty of language studies. The students will learn the relevant vocabulary and write simple phrases about the subject and then finalize completing one sentence. In the class, the students will consider the overall composition of the sentence through several questions related to the subject and write up about 20 lines of sentences. Furthermore, reading and correcting of the sentences written by others will be conducted.
