

Korean Conversation VII

Syllabus Number

KOR-307

Compulsory 1
credit

PARK, Chun Hong

1. Course Description

This class is aimed to acquire the higher level of speaking ability and communication skills. In this class, students will practice speaking about current topics in Korea with reading and summarizing the content of newspapers and listening about various topics from the radio. Additionally, this class will help students upgrade the level of speaking abilities and be able to fully use the technical terms and Korean idioms and phrases as well.
