Calligraphy : Sho-sha II

Syllabus Number ESS-102

Elective 2 credit

FUKUI, Junya

1. Course Description

I will advance to the practical center with a hard / writing brush with the theme of "Kiko" written by elementary and junior high schools. We will learn the contents carefully by grasping the details from the whole of the letters to the details and "correctly, beautiful" block letters.

Because it is a lesson from the foundation, whether or not you have a calligraphy experience is irrelevant. Both experienced and inexperienced people learn the basics of "Kiki" and aim to master it.
