## Seminar for Teaching Practice(Junior Syllabus Number and Senior high schools)

ESS-403

Teachers' License Program Elective

2 credit

TSUTSUI, Yu

## 1. Course Description

This course aims to reflect the effects of stutent's teaching practicies which they did before a few months. In class, students will be required to teach their own themes again in the classroom of the University and to discuss the various aspects in connection with their teaching practices and school activites. In addition, students are also expected to make a brief paper related with the student's teaching practices every time. Grades will be based on regular attendance, completion of the assingnments and periodic examination.
