

# Evolution of Information Media I

Syllabus Number

SOC-225

Elective

2 credit

TAJIMA, Yuki

## 1. Course Description

The society in which we live is influenced by the development of media technology and people's desires have promoted the development of the media. In this lesson, we will cover the history of the media, from the birth of characters to the development of social media. We aim to understand the nature of the media while taking into consideration the background to the birth of each medium.
