

経営学演習Ⅰ

Compulsory 2
credit

ONO, Takashi

1. Course Description

In my seminar, I will provide graduate students necessary research guidance and teach necessary attitude to write the master's thesis about the management strategy theory, the management organization theory and the management administration theory field. By doing so, I aim for graduate students in my seminar to acquire basic theory and research methodology in management strategy and organization and administration theory field to be acquired by the first semester of master course 1st year.
