

Practice in Sign Language	Syllabus Number	SNE-104
Communication 2	Elective	2 credit
	NEMOTO, Yuki	

1. Course Description

In this lesson, you will improve your skills to communicate in smoother sign language for those who have completed the previous course. We are confident in sign language and can provide sign language expression as a service for the hearing impaired.

In addition, by accurately recognizing sign language and hearing impaired people in social and historical relations, and raising symbiotic consciousness, students will acquire basic knowledge as members of society.
