TOS-106

Elective

2 credit

KURIKI, Toshio

1. Course Description

The theme of this course is to seek for the possibility of Gio-park in Hakone area in view of utilization of tourist attractions.

We make a field work staying at seminar house of Teikyo University located at Gora area in Hakone and investigate several Gio-park spots, such as Owakudani, Sekibutsu, Susuki, Odawara area and so on, and could get the explanation from Guest speakers who know the local actual states in detail.

However, in view point of prevention of coronavirus, contents of field work maybe changed or canceled.
