

TOEIC Preparation I (Beginner)

Syllabus Number

ENG-103

Elective

2 credit

GUJIMA, Yasushi

1. Course Description

This class aims to develop students listening and reading English skills enough to achieve the goal of TOEIC score 350 – 400. In particular, the class puts emphasis on enhancing students' abilities by studying English expressions in general including those used in wrong answers. Thus, the TOEIC score goal is just one means in that process and not the end itself.
