

International Finance II

Syllabus Number

MOF-309

Elective

2 credit

TAMAKI, Tomomi

1. Course Description

In this semester, the course will take up on "Japan's balance of payment situations", "international financial systems". The course will deal with the theoretical discussions on the theme and will offer topics in conjunction with the theme to help the students understand the theme better in the actual context. In addition, some current topics related to international finance, such as "financial stability to safeguard inclusive growth in developing Asia" will be also discussed.
