Teaching Methods in Japanese Language 4

Syllabus Number ESS-310
Teachers' License Program Elective
2 credit

HASHIMOTO, Kazuaki

1. Course Description

This course will provide students with an understanding of Japanese language education at the senior high school level. Additionally, students will improve their own Japanese reading, writing, speaking, and listening skills, reviewing and building on their high school learning. Particular emphasis will be placed on basic Japanese penmanship and kanji writing. A variety of activities and teaching materials will be introduced.
