

Elective Italian (Elementary) III

Syllabus Number

ITA-103

Elective

1 credit

YOKOTA, Taro

1. Course Description

This class is for beginners who have not learned the Italian and it aims to train the Italian communication skills necessary for daily conversation. The lessons generally focus on listening and speaking, but the explanations about grammar and culture will be given. It is strongly recommended to take the class “Elective Italian (Elementary) I” together with this class. Active participation is required.
