

Introduction to the Study of Education I

Syllabus Number

EDU-101
Compulsory 2
credit

ASHIZAWA, Kiyone

1. Course Description

In this class, you will learn about a wide range of fields of education ranging from child care to adult education. In order to explore this broad field of research, a number of academic staff from the Faculty of Education give lectures in turn throughout the semester. You are expected to find your own research interest through this program.
