

# Basic Spanish VIII

Syllabus Number

SPA-108

Compulsory 1  
credit

MORALES, Jaime

## 1. Course Description

The central theme of this semester will be the Past indicative; students will develop, on this subject, the four skills necessary to master a language (listening, speaking, reading, and writing)

Students will be able to explain past events.

Additionally, the future and the Imperative will be studied, making an introduction to the Subjunctive.
