

International Communication 2-2 : Spanish : Syllabus Number FLE-122
Elective 2 credit
MORALES, Jaime

1. Course Description

Continuing with the knowledge acquired in the last semester, the student must deepen their knowledge in the past tense.

The course will focus on increasing communication skills to talk about the past. In addition we will see the Imperative form.

At the end of the semester students will be able to maintain an oral communication about everyday topics and explain past events or customs.
