

**International Communication 2-2 : French** : Syllabus Number FLE-110  
Elective 2 credit  
BROCHEN, Philippe

1. Course Description

This course is a continuation and review of International Communication 2-1 : French. Therefore, in this course also, students will learn basic conversations and basic structures of French sentences. They will be able to use these basic structures, to understand / produce simple conversations useful for daily life communication, and to talk about their own daily environment (accommodation, job, hobbies...). A special focus will be made on interactions between the students (and the teacher) in the classroom. At the same time, the course will also introduce some cultural aspects of France and other French speaking countries around the world.
