1. Course Description

In this class, students will train the presentation skills and learn about how to make efficient presentations in Korean. Students must speak and discuss in Korean only in the class. Each student should research to choose their own topics and make presentations based on them. Writing and speaking skills in Korean are required for presenting. In making a presentation, it is very important to clarify 'the purpose', including (1) introducing something, (2) explaining about something, (3) arguing about something, and (4) making others act. Students will focus especially on the stage of (1) and (2) in the spring semester.
