

Japanese Expression IV (Introductory JapaneseIV) Syllabus Number JLN-104
Elective 1 credit
YASUDA, Reiko

1. Course Description

This is a course of Japanese language and culture for TAEP international students who have studied Japanese. As a continuation of Japanese Expression III, we will brush up Japanese conversation needed on campus and in daily-life. The class also consider about key ideas to get better understanding of Japanese culture and people by working with Japanese assistants.
