

Student Guidance and Career Education

Syllabus Number

ESS-303

Elective

2 credit

TAJIMA, Hideharu

1. Course Description

Student guidance and career education serve as a core function of school education. Schools have various problems, for example, academic achievement, bullying, truancy, career guidance and etc. Therefore, these issues are extremely important for those who aim to be part of the teaching profession. For these reasons, we will focus on both theories and practical problems of guidance and career guidance. We will consider issues mentioned above in the form of lecture and group discussion, etc.
