

Senior Seminar(Oriental History 1)– II

Syllabus Number

SEM-418

Compulsory Elective
2 credit

SAI, I Tatsu

1. Course Description

When considering the positivity and negativity of colonial rule, I hope that the students have their own consciousness of issues and let the seminar participants comprehend the opinions based on the surveyed materials. It is also intended to develop the research, arrangement, review, summarization and discussion skills necessary for who are interested in oriental modern history to create reports and graduation theses.
