

Curriculum for Early Childhood Care and Education: Language I

Syllabus Number

ESS-206

Elective

2 credit

SUGIMOTO, Mariko

1. Course Description

This subject is compulsory for those wishing to obtain their kindergarten or childcare certificate. We will learn about "Language" as one of the areas of childcare. First, we will study the acquisition process of language abilities. Then, we will seek for necessary environment and child care worker's indispensable approach to the children to develop their affluent command of languages. We will also examine picture books that children are so fond of.
