

# German Grammar II

Syllabus Number

GER-202

Compulsory 1  
credit

OHAMA, Yoko

## 1. Course Description

The course consists of two parts: the study of intermediate German grammar and the study of intermediate German vocabulary. The Intermediate German Grammar will be taught using past papers from the German Language Proficiency Test (Grade 3 & 2). The examination questions will be used to study the idioms and phrases of the intermediate German language.
