1. Course Description

You are now a student of University.

People recognize you as a grown-up person.

This lecture gives you basic knowledge about the history of modern Japan, which you must have as a student of University.

If people know your major is economics, they may ask you “Explain me about Abenomics.” “I don’t understand the lost 20 years of Japan. Could you tell me about that?”

Can you answer these questions?

This lecture gives you the answer.
