Contemporary Legal Topics II

Syllabus Number NFL-302
Elective 2 credit

NISHI, Akira

1. Course Description

Public finance is closely related to our lives. It is the activities that the government provides various services to the people with the money we pay in the form of taxes as a financial source.Both what kind of services we should receive from the government and how we will be responsible for the financial resources as a whole are serious problems for us.
The goal of this lesson is to understand problems on public finance and tax system and to learn thinking skill to solve them.
