1. Course Description

This is an advanced level class designed to prepare students for the TOEIC Test. Throughout the semester, this class will provide students with specific training and practices on different parts of the TOEIC Test. In addition to regular TOEIC reading and listening exercises, this class will put great emphasis on strengthening students' grammar and vocabulary skills. Newspaper articles and other supplementary materials will also be used to improve students' practical language skills and to make the class an enjoyable learning experience.
