

Elective Italian (Intermediate) I

Syllabus Number

ITA-105

Elective

1 credit

TAKAO, Yuki

1. Course Description

This course is intended for those who have finished Elective Italian (Elementary) I and II. Essentially, it combines grammar study (from the second half of the textbook) and, aural and oral skills training included in the practice material for listening and speaking. Furthermore, reading excerpts from literary works and magazine articles may be considered depending on the class progress (probably during the fall semester).
