

Japanese Expression III (Introductory Japanese III) Syllabus Number JLN-103
Elective 1 credit
YASUDA, Reiko

1. Course Description

This is a course of Japanese language and culture for TAEP international students who have studied beginning-level Japanese. While checking the basics of Japanese expressions, we will practice conversation needed on campus and in daily-life. The class also consider about “Japan” for better understanding of Japanese culture and people by working with Japanese assistants.
