

Civil Law : Collateral

Syllabus Number	CIL-209
Elective	2 credit
HASEGAWA, Narumi	

1. Course Description

This course outlines the basic concepts of the law of collateral provided in Part Two of the Civil Code. Among the four types of collateral prescribed in the Code, mortgage plays the most important role in finance, which is fundamental to the functioning of the capitalist economy. Thus the rules and functions of mortgage are the main focus of the course.
