

Japanese Expression III (Introductory Japanese III)	Syllabus Number	JLN-103
	Elective	1 credit
	YASUDA, Reiko	

1. Course Description

This is a course of Japanese language and culture for TAEP international students who have studied beginning-level Japanese. While checking the basics of Japanese expressions, we will practice conversation needed on campus and in daily-life. The class also consider about “Japan” for better understanding of Japanese culture and people by working with Japanese assistants.
