

比較経営史特講 II

ONO, Takashi

Elective 2 credit

1. Course Description

In this lecture, I will deal with the history of entrepreneurs in Japan(from the Edo period to the present) for the purpose of comparing with overseas .By studying the management methods and contributions of key managers who have contributed to the development of corporate management and an diverse industry in Japan, I ultimately aim for students to cultivate the ability to understand corporate management historically and use the idea in this classroom for their master thesis.
