1. Course Description

1. Course Aims

We make more studies develop based on "Seminar : Education I". Independent behavior is more necessary than the one of the students for it. A student becomes important for an individual to have his interest and interest. Approach of a study will be something personal more. It's practiced by the following process.

- (1) Setting of a theme.
- (2) Collection of material.
- (3) Expression method.
- (4) Inspection.
- (5) View.

Students would get knowledge of Art education and understanding through this practice.
