SEM-301

Compulsory 2
credit

TSUYUGUCHI, Yosuke

1. Course Description

In the fields of finance and banking, there are common basic systems across the countries like Japan, China, USA and so on. At the same time, there are specific characteristics in the each country's financial system. A part of the Chinese financial system is one of the most developed one in the world. In this seminar, participants are expected to deeply understand the basic knowledge of finance and banking through studying Chinese financial systems.
