

Seminar II

Syllabus Number

SEM-302

Compulsory 2
credit

SAKAUCHI, Kei

1. Course Description

This seminar is a continuation of seminar 1. In this seminar, students will learn basic knowledge on financial statement analysis, especially on profitability analysis and safety analysis. Moreover, we will learn the way of using accounting information and interpret the information. In addition to acquiring knowledge on financial statement analysis through this seminar, it is strongly expected that highly motivated students actively participate in discussion and take the qualifying examination about financial statement analysis.
