

開発金融論Ⅰ

Syllabus Number

MOF-303

Elective

2 credit

TAMAKI, Tomomi

1. Course Description

This course deals with several key finance issues by focusing on developing Asia. Through the course, participating students are expected to become familiar with the financial challenges that developing countries in Asia need to address to sustain their economic development. The course will also pick up current economic and financial topics in Asia from leading newspapers and journals which will merit discussion in classes.
