

心理学研究演習Ⅱ

Syllabus Number

SEM-302

Compulsory 2
credit

OKAMOTO, Junko

1. Course Description

Students are to continue their research, as planned. After getting data, either by questionnaire sheets or interviews, full analysis and presentation of their deliberation are expected. The final report has to be written by oneself. Though findings might seem to be trivial, students surely find they obtained the treasure experience of studying about human beings and put one more knowledge on the pile of precedent studies. The tour at the Family Court may also add depth to the study.
