

Reading Materials in Japanese History 2C- I

Syllabus Number

JPH-219

Compulsory Elective
2 credit

SAEKI, Tomohiro

1. Course Description

To learn Japanese medieval history, you must get the ability to read and understand Japanized Chinese scripts. In this lesson, I will explain how to read Japanized Chinese sentences. And you will practice reading recorded material by reading Hyakurensho, extraction of medieval nobility diaries. After that, we will subscribe to articles about Genpei battle sharing.
