HAMADA, Yo

Elective 2 credit

1. Course Description

This course provides opportunities for presentation, discussion, and examination of the thesis in order to improve the conceptual and argumentative skills for writing a master's thesis.

Humanities requires the ability to conceptualize and describe ideas in a concrete form. In order to improve these skills, students are instructed to create a research resume. It is essential to reexamine the research theme many times, and the significance of the research as a whole must be reviewed repeatedly. Students will develop their research resumes into a "research paper draft".
