

**International Communication 2-1 : Korean** : Syllabus Number FLE-125  
Elective 2 credit  
LEE, Hyang su

1. Course Description

This class is designed for students who have completed "International Communication I" or who have the same level of academic ability. In addition to cultivating basic Korean grammar and reading, writing, speaking, and listening skills, the class will use Korean movies, songs, and free Korean language apps to develop a variety of communication skills.
