

Language Life I

Syllabus Number

JLE-104

Elective

2 credit

HINO, Junko

1. Course Description

This class is about relationship between society and language. We use language in order to connect with people and society. We will first understand the basic concept and theory in sociolinguistics, such as language variations by social classes, gender, age, or contexts, politeness theory or structure of discourse. We will analyze our daily language use and behavior by working in groups.
