

International Communication 2-1: Russian	Syllabus Number	FLE-129
	Elective	2 credit
	NAKAO, Yasuko	

1. Course Description

The course focuses on introducing Russian language through the textbook and a variety of outside materials. Students will build a foundation of necessary vocabulary and conversational expressions to speak about themselves and simple everyday topics. Regular and punctual attendance is required of all students to all classes. Students should come prepared to participate actively in all classes.
