

Introduction to Japanese History II

Syllabus Number

JPH-102

Compulsory Elective
2 credit

FUKAYA, Koji

1. Course Description

In this second semester, Introduction to this Japanese history II, the lecture will follow the same form and concept of the first semester of Introduction to Japanese history I. This lecture will begin from the themes of the transition time from medieval to early modern (Shokuhou era), and after that, Japanese early modern time (Edo era), further the modern (Meiji, Taisho and Showa before the world war II) and to our present time (after the wwII).
