

TOEIC Preparation I (Beginner)

Syllabus Number

ENG-103

Elective

2 credit

UEDA, Hitoshi

1. Course Description

This course will help pre-intermediate English students improve their TOEIC Test scores. Students will study vocabulary and grammar points and test-taking strategies for the test. Each lesson, students will be given a variety of working materials through which they will acquire skills needed for the reading and listening parts of the TOEIC Test as well as a larger knowledge of vocabulary and grammar. Students will be expected to get over 400 on TOEIC.
